

Bourton

Dimpled Glass Teardrop Pendant Light

Bourton hangs on a landing, in an entrance hall or over a desk, where its small teardrop of dimpled glass stays discreet. Its light passes through clear, amber or smoke glass, as you choose.

SIZES AND FINISHES

The glass comes clear, amber or smoke, 15 or 20 cm across. The 15 cm, 30 cm high, suits a small landing; the 20 cm, 34 cm high, stands out better in an entrance hall.

IN DETAIL

The light

An E14 LED bulb is supplied with the pendant.

Materials

The glass is dimpled; at the top, a small cone with a wood look crowns it.

Fitting

It connects at the ceiling on 230 V mains; an electrician can do this for you if you prefer. The 150 cm cord adjusts and is shortened at fitting. IP20: dry rooms indoors.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
