

Thornbury

Firefly Branch Chandelier in Gold or Black, 30 to 63 Lights

Thornbury is a branch chandelier 80, 95 or 105 cm across, to hang over a dining table, in a sitting room or in a generous entrance hall. Slim metal branches divide like the boughs of a small tree, and each twig ends in a frosted petal that glows like a firefly.

SIZES AND FINISHES

It comes in three spans, 80 cm with 30 lights, 95 cm with 45 and 105 cm with 63, each in a gold or a black finish.

SPECIFICATIONS

Size

SPANS	80, 95 or 105 cm
POINTS OF LIGHT	80 cm: 30 · 95 cm: 45 · 105 cm: 63
HEIGHT OF THE BRANCHES	about 30 cm
ROD	rigid, about 40 cm

Light

LIGHT SOURCE	LED, warm white
DIFFUSERS	frosted acrylic petals, about 5 cm
SWITCHING	an ordinary wall switch

Materials and fitting

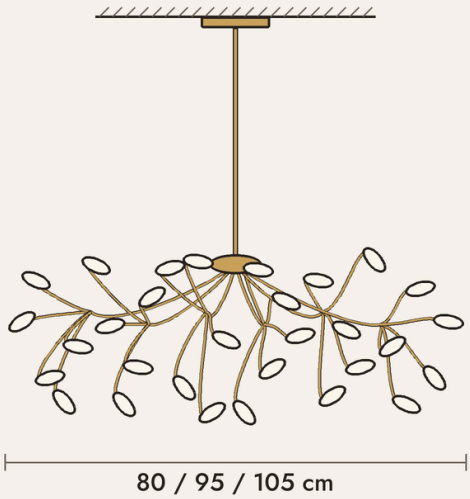

BRANCHES, ROD AND CEILING PLATE	metal, gold or black finish
USE	dry rooms indoors
INSTALLATION	a little assembly, then wire to the ceiling; an electrician can do it if you prefer

IN THE BOX

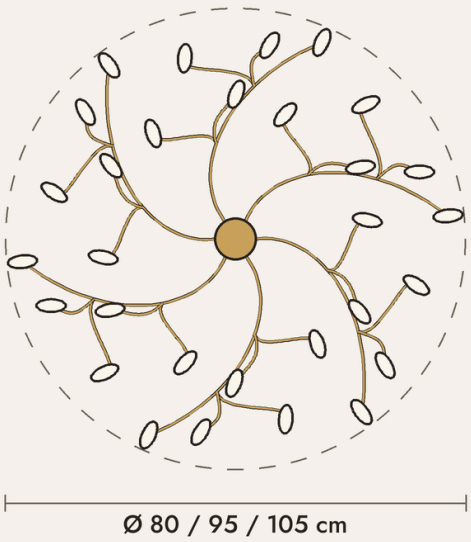

Thornbury chandelier, branches and parts ready for assembly.

IN DETAIL

The light

Thirty, forty-five or sixty-three small LEDs glow warm white, one inside each frosted petal, for a soft scattered light without glare. It works from an ordinary wall switch.

Materials

The branches, the rod and the ceiling plate are metal in a gold or a black finish; the petals are frosted acrylic, lighter than glass and softly diffusing.

Fitting

A little assembly, then it fixes to the ceiling with its plate and rigid rod and connects to your ceiling light point; an electrician can do this for you if you prefer. Dry rooms indoors.

Indicative measurements: each light is assembled by hand, so the branches may sit very slightly differently from one light to another.
