

PENDANT LIGHT

Clovelly

Organic Translucent Acrylic Pendant Light

Clovelly is a pendant with freely curving lines and a shade of coloured acrylic that the light passes through. It suits an entrance hall or the space over a desk.

SIZES AND FINISHES

Three diameters, 20, 28 and 38 cm. The 20 cm suits a corridor, the 38 cm a large room, and the 28 cm sits in between.

SPECIFICATIONS

Size

DIAMETERS	20, 28 or 38 cm

Light

LAMP CAP	E27, LED-compatible

AT HOME

IN DETAIL

The light

It takes an E27 bulb, LED-compatible, up to 10 W, for a warm white light. There is a single light source.

Materials

The frame is metal and the shade acrylic. Five colours: rose gold, gold, blue, green and chrome.

Fitting

Clovelly connects to the ceiling light point (110 to 240 V); an electrician can do this for you if you prefer. It is designed for dry indoor rooms (IP20).

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
