

PENDANT LIGHT

Hathersage

Japandi Three-Tier Fabric Pendant Light

Hathersage is a Japandi-style pendant made of three tiers of beige fabric. In a hallway or above a desk, it gives a warm light.

SIZES AND FINISHES

Three diameters: 45, 58 or 70 cm, standing 27.5, 35.5 or 42.5 cm tall. The wider it is, the taller the shade: under a low ceiling, the 45 cm takes up the least height, while the 70 cm, the largest, is better suited to a room with a high ceiling.

SPECIFICATIONS

Size

SMALL	Ø 45 cm, 27.5 cm high
MEDIUM	Ø 58 cm, 35.5 cm high
LARGE	Ø 70 cm, 42.5 cm high

LARGE · H 42.5 CM

Dimensions in cm · 120 cm suspension, adjustable · ceiling plate of 10 cm, 4 cm thick

AT HOME

IN DETAIL

The light

It comes with its E27 LED bulb, which the three layers of fabric keep out of sight. The light comes through softened.

Materials

A metal framework holds the textured beige fabric in three levels. They are threaded on a wooden spine, and their edges are slightly irregular: each one differs a little from the next.

Fitting

It connects to your ceiling light point (230 V mains); an electrician can fit it if you prefer. The 120 cm suspension adjusts so you can set the height, and the ceiling plate stays discreet. For dry indoor rooms only.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
