

WALL LIGHT

Lavenham

Blue & White Ceramic Wall Light with Brass Arm

Lavenham is a wall light in solid brass and ceramic: a jointed arm, and a white glazed shade with indigo flowers painted on by hand. Beside a reading chair, its arm lets you tilt the shade towards the page.

WHERE TO PUT IT

On the wall of a study or a hallway, for example.

IN DETAIL

The light

It takes an E27 bulb of up to 40 W, included. It can be dimmed if you fit a compatible dimmer switch, which is not supplied.

Materials

The arm is solid brass and the wall plate textured white ceramic. On the shade, every indigo flower is painted by hand.

Fitting

Its wiring is built in, and it can go on a wall or on the ceiling. An electrician can connect it for you if you prefer. Rated IP20, it is for dry rooms only and not for bathroom zones.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
