

PENDANT LIGHT

Lymington

Wavy-Edge Glass Pendant Light

Lymington is a polished glass pendant whose rim curves in soft waves. Above a desk, in an entrance hall or on a landing, it brings a touch of colour.

SIZES AND FINISHES

The same shade comes in white, green, blue, pink or beige glass: white stays neutral, the others bring a gentle colour to the ceiling. All five colours share exactly the same shape and size.

SPECIFICATIONS

Size

SHADE	24 cm across, 19 cm high, open underneath
CEILING ROSE	10 cm across
FLEX	150 cm, adjustable
WEIGHT	About 1 kg

HEIGHT 19 CM · 10 CM CEILING ROSE

Dimensions in cm · drawing not to scale

AT HOME

IN DETAIL

The light

It arrives with its bulb, a 4 W LED made to look like an old filament, on an E27 cap; when the day comes, any E27 bulb will take over. The shade is open underneath.

Materials

The shade is polished glass. Above it, the lampholder is metal made to look like old brass, hanging from a twisted cord sleeved in fabric.

Fitting

The flex is 150 cm long and adjustable, so each shade can hang at its own height. It connects to your existing ceiling light point on UK 230 V mains; an electrician can do this for you if you prefer. Dry indoor rooms only.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
