

PENDANT LIGHT

Lynton

Textured Amber Glass Pendant Light

A small pendant in thick amber glass, for an entrance hall, a landing or the top of a staircase. It gives a warm light, tinted by the glass.

SIZES AND FINISHES

All four shapes stay small. The bell and the dome are the squatter pair; the teardrop and the square stand a little taller. The bell, the narrowest (Ø 14 cm), slips into a small space; the square, the widest (18 cm), stands out more.

SPECIFICATIONS

Size

BELL	14 cm across, 18 cm high
TEARDROP	15.5 cm across, 21 cm high
DOME	17 cm across, 16.5 cm high
SQUARE	18 cm at its widest, 23 cm high
FLEX	150 cm, shortened when fitted

Light

BULB	One LED bulb, supplied
EFFECT	Warm light, tinted by the amber glass
VOLTAGE	230 V

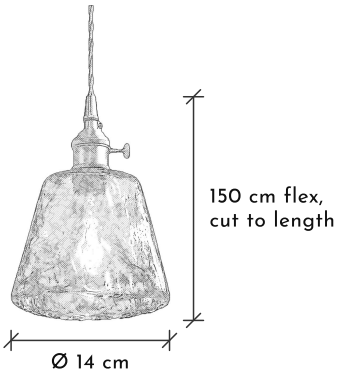

Materials and fitting

SHADE	Thick amber glass with a deliberately uneven surface
LAMPHOLDER	Lightweight aluminium with an antique brass look
FLEX	Twisted fabric
USE	Dry interiors
FITTING	To the ceiling; an electrician can do it if you prefer

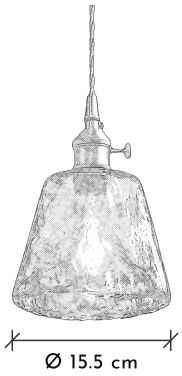

IN THE BOX

Lynton pendant, LED bulb, twisted fabric flex, ceiling rose, screws.

IN DETAIL

The light

The LED bulb comes with the pendant. The relief of the amber glass casts reflections around it, up to the ceiling.

Materials

The glass is thick, and its surface is left uneven on purpose. Above the glass sits a light aluminium lampholder with an aged brass look, hung from a cord sleeved in twisted fabric.

Fitting

It connects to the ceiling point on 230 V mains; an electrician can do this for you if you prefer. The flex is 150 cm long and is cut to the height you want at fitting. For dry rooms in the house only.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
