

PENDANT LIGHT

Wensley

Wave Ribbon LED Pendant in Gold or Black, 100 to 180 cm

Wensley draws a long line of light above a dining table or kitchen island. Its undulating ribbon combines metal and glitter-flecked acrylic, in gold or black. Two adjustable cables hold the pendant level.

SIZES AND FINISHES

Four lengths, 100, 120, 150 or 180 cm, each available in gold or black. Choose a length 40 to 60 cm shorter than your table or island: 100 or 120 cm for a 160 cm table, 150 cm for a 200 cm table, and 180 cm for a top measuring 240 cm or more.

SPECIFICATIONS

Size

LENGTHS	100, 120, 150 or 180 cm
DEPTH OF THE WAVES	about 25 cm

IN DETAIL

The light

An integrated warm white LED runs along the ribbon. Fine glitter in the acrylic catches the light over the tabletop. It switches on and off with an ordinary wall switch.

Materials

A metal profile in gold or black follows the waves of the glitter-flecked acrylic ribbon. Two adjustable steel cables connect the pendant to its ceiling fittings.

Fitting

The ribbon hangs level on two adjustable cables with two ceiling fittings. Over a table or island, leave about 70 to 80 cm between the top and the ribbon. It connects to your ceiling light point; an electrician can fit it for you. For dry indoor rooms.
Indicative measurements: length 100, 120, 150 or 180 cm; waves about 25 cm deep; ribbon about 5 cm wide.

Indicative measurements: stone, blown glass and wood are natural materials, so no two lights are quite the same.
